GUARANTEED ANALYSIS

Total Nitrogen (N).....	3.0%
2.55% Water Soluble Nitrogen	
0.45% Water Insoluble Nitrogen	
Available Phosphate (P ₂ O ₅).....	2.0%
Soluble Potash (K ₂ O).....	1.0%
Derived from: Fermented Oilseed Extract	
Density: 10 lbs. per gallon @ 68° F	

F2358

DIRECTIONS FOR USE

General rates are 0.25 to 5 gallons per acre (GPA) depending on crop grown, soil type, climate and irrigation and cultural practices. For crop specific recommendations, speak to your Solutions 4Earth representative or consult a crop advisor to determine appropriate application rate, method and timing. You may also visit www.Solutions4Earth.com and download a Nutrient Program Guide specific to the crops you grow.

Agitate product before use. Product may need to be further diluted before injection into irrigation water. If needed, prepare a 50% diluted solution and agitate. If spray or dribble applications are made, dilute to a level of 10 to 33%. Do not store or save diluted product overnight.

To request additional information, call 855-834-3882 or visit www.Solutions4Earth.com

FOR COMMERCIAL USE ONLY

STORAGE INFORMATION- Store undiluted product in a cool, dry area. Do not contaminate with water or other materials as this will reduce shelf life of the product. Optimum storage temperature range: 35°F to 90°F. Do not store in direct sunlight.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.html>

PRECAUTIONARY STATEMENT - Based on currently available data, this product is not classified as a hazardous substance. However, observe good industrial hygiene practices. First Aid: Wash hands after handling. Storage and Disposal: Do not contaminate water, food or feed by storage or disposal. Store away from incompatible materials. Dispose of waste and residues in accordance with local authority requirements. **Keep out of reach of children.**
